

Please find below some addresses and contact info that I was able to find. I have included contact information for newspapers in the ridings of the key Liberal MLA'S. Perhaps copies of the letters could be sent to these newspapers as well. People in their ridings need to know what their MLA is doing in other parts of the province. Another reason to send the letters to other newspapers is that we may get people contacting us about what's happening in their area.

I have also included contact info for other Gulf Island Trustee's as the closure of the surgery also affects them.
